"REPORT ON SKILL DEVELOPMENT"

A skill development program was conducted on 13/01/2021 in our college for NCC cadets. The guest and speaker was COLONEL. A.M. WALENKAR (36 KAR BN NCC VIJAYAPUR). This program was primarily focused on improving personal and professional effectiveness through skills. The program helped the cadets to develop the skills required to master the competition. This is required apart from the knowledge process to move up the career ladder and be noticed. We will be able to unwind ourselves, boost self image, self esteem, be more resilient and have a positive self evaluation.

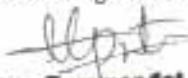

We are able to utilize our potential to the maximum. As India moves progressively towards becoming a global knowledge economy it must meet the rising aspiration of its youths. This can be partially active through focus on advancement of skills that are relevant to the emerging environment. The challenge pertains not only to a huge quantitative expansion in skill training for the youth but also to the much more important task of rising their quality.

To pass regular examination and physical fitness test for the post police officers, defence officers, and other allied posts, the candidate has to prove his skills in all respects required for the post. These include core skills such as investigation, law, forensic science, team management drill and equation in the outdoor subjects in addition to these things like driving, motor mechanics, first aid, wireless knowledge is required. Also skills like yoga, meditation, conduct of meeting, manners and etiquettes are additional which are very useful skills. The persons who involve in police or military service they should have capacity for empathy and compassion, capacity for multi tasking ability to be resourceful and show initiative and ability to demonstrate courage and to take responsibility are important.

A good military officer or police must have the patience and fortitude to listen to what people are saying to get a better picture of the situation. An officer who is willing to listen to the citizens makes them feel like the officer truly cares.

There are so many skills. The main six hard skills, are technical skills, computer skills, analytical skills, marketing skills, management skills and presentation skills. Now days every person possesses a unique skill. The requirement is to develop a mechanism to identify that skill. Skill building could also be seen as an instrument to empower the individual and improve their social responsibility. The Government has made investment in education and skill building a corner stone for our development process. Now it is time for each one of us to contribute to the Nation. There is a broad road map for productive skill development, Youth should make use of it.

A system that integrates skill and education can go a long way in ensuring that the youth are better equipped to handle a challenging employment market.

Report of the Special Lecture

Date : 31/08/2021

Basava, also known as Basavanna (1106-1167) was a philosopher and a social reformer, who fought against social evils of his time such as caste system and the ritual practices of Hinduism. Basava was a great humanitarian, who advocated a new way of life, in which divine experience was at the center of life and where caste, gender and social distinctions carried no special importance. It is evident that the seeds of modern concepts of 'sarvodaya' and 'total revolution' were sowed in Karnataka, during twelfth century itself by the great revolutionary-Basaveshwara.

Even the Guru and Jangama, who were treated as the superiors of the society also, must work. Ultimately the Work is worship. Even the Kayaka is equated with kailasa- The Heaven. This concept gave a new movement and people of all walks of the society started loving their work and involved them self in society building task without any feeling of class, caste and sex discrimination. Prof. The Programme resource person Geeta Ankalagi department of sociology at- Sha. Sogamal Piraji Government First Grade College Muddebihal, explained about the Basaveshwar ideas for Social reforms.

The special lecture programme was organized by Dr. Sunita. B. Jadhav head of the department of sociology at M.G.V.C. Arts, Commerce, and Science College of Muddebihal. Prof. Geeta Ankalagi was the special resource person for the event.

Principal S.N. Poleshi sir delivered by Presidential speech at the programme. Administrator A. B. Kulkarni sir delivered by Chief Guest Speech at the programme. Dr. S.C. Angadi, Prof. K.G. Hiremath, Dr. A.A. Mulla, Dr. R.H. Sajjan, they were all present at the programme. Akshata Sindagi and his companions sang the welcome song in this programme. The introduction of Chief guest and welcome address was delivered by Dr. Sunita. B. Jadhav. The programme was anchored by Jijabai Balawat and Vanishri Naik performed the vote of thanks.

“MASK DISTRIBUTION PROGRAM”

REPORT

The novel COVID-19 is an infectious disease caused by a novel corona virus and can be transmitted from person to person via contact with respiratory droplets. Major prevention methods recommended by the WHO are clean hand with soap and water, maintain social distancing, avoid touching eyes, nose and mouth and different measures of protection based on situation.

Our college NCC CADETS distributed masks to those who can not afford or do not have access. The distribution of masks is conducted in market area, bus station and college road.
