Report on Industrial Visit to Vijayapur KIADB Industrial Area

As part of the Internal Quality Assurance Cell (IQAC) initiative, the Department of Commerce organized an industrial visit to the Vijayapur KIADB Industrial Area on 30th October 2025. The main objective of the visit was to bridge the gap between theoretical knowledge and practical industrial exposure, enabling students to understand the operational and managerial aspects of various industries.

A total of 39 students accompanied by two faculty members actively participated in this insightful visit. The visit commenced at 10:30 a.m. and included four major industrial units representing diverse sectors.

Industries Visited

1. South India Warehouse Corporation Located in Vijayapur, South India Warehouse Corporation is a leading firm engaged in departmental store logistics, warehousing, and corporate management activities.

During the visit, students learned about the logistics and supply chain processes, inventory management, and how large-scale storage facilities operate efficiently to meet client demands. The interaction with company officials provided valuable insights into real-world logistics operations.

2. N. Ranga Rao & Sons Pvt. Ltd. (Cycle Brand) N. Ranga Rao & Sons Pvt. Ltd., part of the renowned NR Group, is a house hold name known for its Cycle Brand incense sticks, dhoops and pooja kits.

The company is a leader in manufacturing, marketing, product packaging and research and development of fragrance-based products. Students explored the production and marketing processes, branding strategies, and the innovative product packaging methods that contribute to the brand's long-standing market reputation. The session also highlighted the company's organizational innovations and sustainability practices.

3. MM Industries MM Industries is a reputed manufacturer of plastic bottles and packaging materials in Vijayapur. The students were introduced to various stages of plastic melding, manufacturing processes, and quality control measures. The visit helped students understand the role of packaging industries in the supply chain and how they maintain standards for durability and eco-friendliness in their products.

4. Trishla Industries Trishla Industries is a pioneer in corn processing and corn grits manufacturing, with over two decades of experience. Based in Vijayapura, the company is a leading manufacturer and exporter of corn-based products in India. Students gained practical exposure to the food processing sector, including insights into production technology, quality assurance, and export operations. The company's blend of traditional methods and modern technology stood out as a model of innovation and excellence.
