was organized by **women empowerment cell** and collaboration with **Azim Premaji foundation** on 08-03-2025. The programme was started with prayer song by Kumari. Sujata Pattar. The Coordinator of Women Empowerment Cell Dr. S C Angadi presented an introductory speech about Women Empowerment Cell. Dr. Sunita B Jadhav Madam welcomed the chief guest of the programme.

Shri Chetan Hiremath sir was the Chief guest of the programme. He addressed the Gender sensitization is a process of teaching and educating people. The focus is on gender differences and the problems that people may encounter because of them, Gender sensitization teaches us to respect and understand these difference. Treating everyone fairly means not Judging or treating someone differently because of gender. Trying to stio unfair treatment or prejudice based on gender is important. Gender sensitization involves raising awareness. Every person, regardless of their gender identity, deserves respect equal opportunities. The president of the programme Prof. S N Poleshi Principal sir made presidential remarks. Sujata Pattar madam proposed the vote of thanks. The teaching and non-teaching members were also present in the the programme.

Report

The special lecture on Gender equity "Health awareness programme on Effects of addiction on health" was organized by women empowerment cell on 16-04-2025. The programme was started with prayer song by Kumari. Sujata Pattar. The Coordinator of Women Empowerment Cell Dr. S C Angadi presented an introductory speech about Women Empowerment Cell.

Smt Shashikala Madiwalar Madam welcomed the chief guest of the programme. Dr Veeresh B Patil sir addressed the student about People with addiction often have one or more associated health issues, which could include lung or heart disease, stroke, cancer, or mental health conditions. Imaging scans, chest X-rays, and blood tests can show the damaging effects of long-term drug use throughout the body, For example, it is now well-known that tobacco smoke can cause many cancers, methamphetamine can cause severe dental problems, known as meth mouth, and that opioids can lead to overdose and death. In addition, some drugs, such as inhalants, may damage or destroy nerve cells, either in the brain or the peripheral nervous system.

The president of the programme Prof. S N Poleshi Principal sir made presidential remarks. Smt Bharati Madar madam proposed the vote of thanks. The teaching and non-teaching members were also present in the the programme.
