Food Materials Distribution- Covid-19

Date	27-04-2020
Programme Name	Food Materials Distribution- Covid-19
Chief Guest	Shri. A.S. Tadasad Secretary
Organizer	S.G.V.C. Vidya Prasarak Trust's Muddebihal
Number of Distribution Kits	110
Report	Covid-19 posed an extraordinary challenge for India both infection control and for maintaining food security and livelihoods. An adequate and uneven safety net may leave many from these economically vulnerable groups without access to food and other services. This struggle is particularly acute for large number of informal sector workers including self employed, laborers, small farmers and landless workers. The nature of the Covid-19 pandemic was unique. Shutting down many business operations and leaving people without work. The workers and rural people missing even a day's earnings made it difficult to buy basic food items. To support the families of affected from Covid-19 pandemic, our college governing body Chairman Shri. A.S. Tadasad sir decided to distribute food baskets containing cereals, pulses, edible oil, salt, rice and other nutritional products. About 110 food kits were distributed to daily wages workers, frontline workers and other needy families.

NCC Programme: Swachha Bharath Abhiyan

Date	19-09-2018
Programme Name	Swachha Bharath Abhiyan Campus Cleaning
Resource Persons	Prof .S.N. Poleshi Principal MGVC College Muddebihal
Organizer	Lt. H.G. Patil NCC Officer 5/36 'A' COY MGVC College Muddebihal
Number of Students participated	68
Report	The clean India Campaign was held at our college on 19-09-2018 by the Department of Physical Education and NCC. NCC cadets and all the students of our college, faculty and Non- Teaching staff participated in this programme. By inviting people to participate in the drive, the Swachha Bharath Abhiyan has turned into a National Movement. A sense of responsibility has been evoked among the people through the clean India Movement. With citizens now becoming active participants in cleanliness activities across the Nation, the dream of a "Clean India" once seen by Mahatma Gandhiji has begun to get a shape.

NCC Programme: Yoga Training Camp

Date	21-06-2017 to 28-06-2017
Programme Name	International Yoga Day
Resource Persons	Shri. Prakash Dodamani Yoga Trainer Vijayapur
Organizer	Lt. H.G. Patil NCC Officer 5/36 'A' COY MGVC College Muddebihal
Number of Students participated	35
Report	From 21-06-2017 to 28-06-2017 the International day of practice Yoga held at our college by the Department of Physical Education and NCC Cadets participated in the training at the Yoga camp every morning from 6.30 am to 7.30 am. Yoga is a mind and body practice with historical origins in ancient Indian Philosophy. The word Yoga is derived from the Samskrit word "Yuj" which means to join or Cosmic Consciousness or the Universal spirit. Yoga is believed to have involved during the period of the "Sat Yuga" also called the Golden age. It was not until the discovery of the Indus-Valley civilization, the largest civilization: that the knowledge about the origin of Yoga surfaced.

Report	I wish you all a Happy Independence Day. We are all excited in Celebrating this great day in such an excellent manner. Pandit Jawaharlal Nehru had given a speech on Independence day in New Delhi. When people all over the world we are sleeping, people in India were walking to get freedom and life of the British Rule now after the Independence India has been a largest democratic country in the world. Our country is a most famous country for the saying of unity in diversity. It faces many incidents testing its secularism. However Indian people become always ready to answer with their Unity. Because of the hard struggles of our forefathers we are nor able to enjoy the freedom and breadth fresh air, according to our wish getting freedom from the Britishers was really an impossible task our forefathers did with continuous efforts.

Rain water harvesting

Rain water harvesting is the process of collection, storage and recharging the ground water level. In the college we created a open tank measuring about 37.161sqft with depth of 1.524mts. There will be a collection of 56,630 liters of water in the tank and is utilized for garden.

Bore well recharge

Apart from Rain water harvesting, In our college ground water recharge is in practice, where around the bore well a pit was created about 6ft dept that covers an area of 10x15sqft. The pit was filled with sand, stone and soil loosely where water seeps easily. This process increases the ground water level around the bore well.
