Farewell party is a commemoration to celebrate all the good times together and wishing the best for the future.

Fair party or event can be organized to bid goodbye to one individual or a group of individuals. These events convey a general message that the individual or people leaving will be missed and remembered, those attending also intend to wish them luck for their future endeavors.

Every end is the start of something new. There are several occasions in life when we say goodbye to one chapter and welcome the next.
