MASK DISTRIBUTION PROGRAMME 2021 Date : 3-09-21

REPORT

The novel COVID-19 is an infectious disease caused by a novel corona virus and can be transmitted from person to person via contact with respiratory droplets. Major prevention methods recommended by the WHO are clean hand with soap and water, maintain social distancing, avoid touching eyes, nose and mouth and different measures of protection based on situation.

Masks should be used as a part of comprehensive strategy of measures to suppress transmission and save lives. Face coverings limit the volume and travel distance of respiratory droplet dispersed when talking, breathing and coughing. A face covering reduce the chances of infection. Our college NCC CADETS distributed masks to those who can not afford or do not have access. The distribution of masks is conducted in market area, bus station and college road. This mask distribution program was conducted on 3rd SEP 2021 under the supervision of LT. H.G.PATIL. Our college staff members DR.B.A.Guli, DR.R.H.Sajjan, Prof.V.S.Lamani, Prof.M.I.Biradar also participated in the mask distribution program. Our NCC CADETS participated in this program with full enthusiasm. The management appreciated the event conducted by NCC CADETS.
