

SCIENCE DAY PROGRAM – EVENT REPORT

The IQAC Initiative and Science Forum of MGVC Arts, Commerce and Science College, Muddebihal, successfully organized a Science Day program on 28th February 2026.

The program was held in Room No. 15 at 1.30 P.M. The event aimed to create awareness about the importance of science in daily life, encourage scientific temper among students and promote innovative thinking.

The program was inaugurated with a warm welcome to the dignitaries and participants.

Chief Guest:

Smt. K. G. Hiremath, Associate Professor in Zoology, delivered an inspiring speech on the significance of science in modern times, the contributions of Indian scientists and the need for innovation and research among young students.

Chairperson:

Smt. S. C. Angadi, Assistant Professor in Hindi, presided over the function and motivated students to cultivate scientific temper, develop curiosity and strive for excellence in their academic journey.

In Presence:

Dr. A. A. Mulla, NAAC Coordinator, shared valuable thoughts on quality enhancement in higher education through scientific approach.

Participants:

Students of II, IV and VI Sem B. Sc were actively present and participated with great enthusiasm.

The program included informative talks, interactive sessions and a vote of thanks. The event concluded successfully with great participation and coordination from students and faculty members.

REPORT ON SCIENCE DAY PROGRAM

MGVC Arts, Commerce and Science College, Muddebihal
IQAC Initiative and Science Forum

Science Day Celebration – 28 February 2026

The IQAC Initiative and Science Forum of MGVC Arts, Commerce and Science College, Muddebihal, organized a Science Day Program on 28th February 2026 at 1:30 p.m. in Room No. 15 to commemorate National Science Day and to create awareness among students about the importance of science, scientific thinking, research and innovation.

The program was presided over by Smt. K. G. Hiremath, Chairperson, who encouraged students to develop scientific curiosity, creativity and an innovative approach towards learning. Smt. S. C. Angadi was the Chief Guest and delivered an informative and inspiring address on the significance of science and its role in the development of society and the nation.

Students of II, IV and VI Semester B.Sc. actively participated in the program with great enthusiasm. The event provided an excellent platform for students to understand the practical applications of science and develop an interest in scientific research and innovation.

The program was successfully coordinated under the guidance of Shri U. A. Halyal, Convenor, Science Forum, and Shri S. S. Biradar, Co-Convenor, Science Forum. All the Science Faculty members actively participated in the event and extended their valuable cooperation for its successful organization.
