FUN WEEK PROGRAMME

College life is fun and fascinating for every student, providing the students with exact blend of fun and studies can sometimes become imperative task for any college. That is why happening and successful college campus events are considered integral, not only students but also for the reputation of the college.

A REPORT

The zoology department was organized Fun-week programme for the students of BSc. from 09th to 13th May 2025. The programme was meticulously planned and executed by the students with a variety of colour dressing across four days.

Colour plays a vitally important role in the world in which we live. Colour can sway thinking, change actions and cause reactions. It can irritate or soothe your eyes, raise your blood pressure or suppress your appetite. When used in the right ways, colour can even save energy consumption.

DAY: 1

DATE: 09-05-2025

DAY: PINK DAY

EVENT: RANGOLI

Pink day was celebrated by the students on 09th May 2025. It was make students aware of this colour. Pink colour is associated with charms, politeness, sensitivity, tenderness, sweetness and childhood. This colour represents friendship, harmony and approachability. Pink symbolizes youth, good health, playfulness. According to colour psychology the pink is thought to be a calming colour associated with love, kindness and femininity.

On the same day offstage event Rangoli (Powder) competition was held, the students were actively participated and they put different types of science diagrams by using different types of colours.

DATE: 10-05-2025

DAY: BLUE DAY

EVENT: BEST OUT OF WASTE

Blue day was organized by the zoology department on 10th May, students wearing blue coloured dresses. Blue is the colour of sky and sea. It is often associated with depth and stability. Blue symbolizes trust, loyalty, wisdom, confidence, intelligence and truth. In order to emphasize the importance of blue colour, the day was organized by zoology department. All students enjoyed the activity with immense enthusiasm. On the same day offstage event 'Best out of Waste' was held, where the students actively participated and prepared new materials by using different types of waste materials.

DAY 4

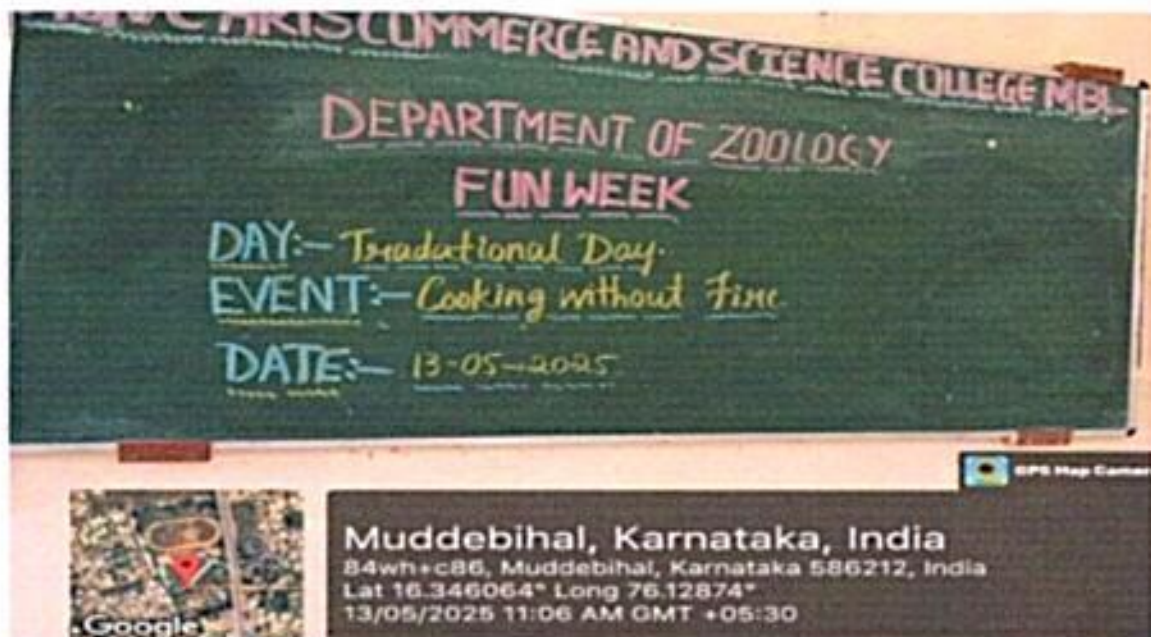

DATE: 13-05-2025

DAY: TRADITIONAL DAY

EVENT: COOKING WITHOUT FIRE

The traditional day was celebrated on 13th May 2025. The main intention of the celebration was to make students aware of different traditions, culture and its importance. The traditional day was quite enriching as it made students realize the importance of traditions and inculcate the value of unity and togetherness by respecting traditions. The highlight was that the students dressed not only to their own traditions but also to the tradition belongs to others.

On the same day offstage event Table decoration was held and students prepared different types of dishes without fire and which were decorated on the table. The some staff members have tasted the dishes.
