Report

An IQAC Initiative

Department of Commerce Organizes One Day National Level Online Seminar on

"Impact of AI on Commerce and Industry"

Anchoring and Opening

The Department of Commerce, with the initiative of the Internal Quality Assurance Cell (IQAC), organized a **One Day National Level Online Seminar on "Impact of AI on Commerce and Industry"** on 26th September 2025 at 10:30 a.m.

The session began with warm greetings and an introductory note by **Shri. S.R. Hatti**, who anchored the event. The anchor welcomed all dignitaries, speakers, faculty members, research scholars, and students from various colleges across the country.

Shri. A.D. Talugeri, Head of the Department of Commerce, extended a heartfelt welcome to the gathering and introduced the SGVCVP Trust and MGVC College. He emphasized the importance of such academic initiatives and highlighted that the seminar aimed to deepen participants' understanding of the growing influence of Artificial Intelligence on commerce and industry. He also motivated everyone to actively participate and utilize this platform for meaningful learning and collaboration.

Inaugural Session

The inaugural session was graced by distinguished personalities including **Prof. S.N. Poleshi**, Principal and President of the Seminar, **Shri. A.S. Tadasad**, Secretary of SGVCVP Trust, **Shri. A.B. Kulkarni**, Administrator, **Dr. M.I. Biradar**, IQAC Coordinator and **Dr. A.A. Mulla**, NAAC Coordinator.

In his presidential address, **Prof. S.N. Poleshi** appreciated the Department of Commerce and IQAC for taking this timely initiative. He mentioned that Artificial Intelligence is transforming every aspect of human activity, commerce and industry must adapt quickly to remain competitive.

The dignitaries jointly inaugurated the seminar, marking the beginning of a series of insightful sessions dedicated to explore AI's vast potential in commerce and industry.

Technical Sessions

The **Keynote Address** was delivered by **Prof. S.V. Satyanarayan**, Retired Professor and Dean, Department of Commerce, Osmania University, Hyderabad. He spoke in depth about the **Impact of Artificial Intelligence on Commerce and Industry**, emphasizing the role of AI in enhancing efficiency, improving compliance mechanisms, and contributing significantly to India's economic growth. He further explained how AI technologies are reshaping business operations, supply chains, and customer engagement strategies.

The first **Resource Person**, **Dr. Geeta Rajaram**, Principal and Director, Global Institute of Management Science, Bangalore, discussed the **Impact of AI Adoption in India and Its Contribution to GDP**. She pointed out that AI adoption across industries and its integration into research and development (R&D) could bridge nearly half of the growth gap required to move India's projected GDP from **\$6.6 trillion to \$8.3 trillion by 2035**.

The second **Resource Person**, **Prof. B.S. Navi**, Professor, Department of Commerce, Rani Channamma University, Belagavi, delivered a talk on **"AI in Indian Industry: Opportunities for Atma Nirbhar Bharat."** He highlighted that AI serves as both a productivity tool and a strategic asset, forming the backbone of India's economy, especially in the **MSME and service sectors**. His session provided practical insights into how AI can empower Indian industries towards self-reliance and innovation.

Interaction and Closing

After the technical sessions, an interactive discussion was held, during which participants from various institutions actively engaged with the speakers. Questions were raised about the ethical implications of AI, its applications in commerce education, and future career opportunities for students. The experts responded thoughtfully, creating an enriching learning experience for all attendees.

The seminar concluded with a **Vote of Thanks** proposed by **Dr. Basavaraj Hadapad**, who expressed gratitude to the management, resource persons, organizing committee members (**Shri. A.D. Talugeri, Shri. M.G. Khyadi, Shri. B.N. Math, and Shri. Shrishail Hatti**), participants, and the technical support team for making the event a grand success.

Conclusion

The **One Day National Level Online Seminar on "Impact of AI on Commerce and Industry"** successfully brought together academicians, researchers, and students to explore the transformative role of Artificial Intelligence in shaping modern commerce and industrial sectors. The event served as a platform for knowledge sharing and academic collaboration, inspiring participants to adapt to the emerging digital revolution.

The Department of Commerce and IQAC received appreciation for organizing such a relevant and insightful program, which strengthened academic engagement and emphasized the need for AI literacy among commerce professionals.
