Report

One Day State Level Online Seminar on "Impact of Natural Hazards on Population"

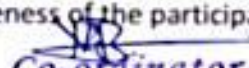

Organized by IQAC and Department of Geography

Date: 21-11-2025 | Time: 10:30 AM | Platform: Google Meet

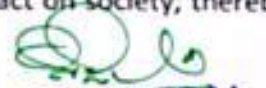

The Internal Quality Assurance Cell (IQAC) and the Department of Geography of MGVC Arts, Commerce and Science College, Muddebihal jointly organized a One Day State Level Online Seminar on "Impact of Natural Hazards on Population" on 21st November 2025 at 10:30 am through Google Meet. The seminar aimed to create awareness and enhance understanding about various natural hazards and their consequences on human settlements, environment, and socio-economic systems. The programme commenced with a warm **welcome address delivered by Smt. Shilpa Angadi**, Head of the Department of Mathematics. This was followed by the **introduction speech by Prof. S. S. Murthy**, Head of the Department of Geography, who highlighted the objectives and significance of organizing such an academic event. The first keynote session was addressed by **Dr. Kambale, Deputy Registrar, Rani Channamma University, Belagavi**. He delivered an insightful keynote lecture on the topic "Impact of Natural Hazards on Population." Dr. Kambale elaborated on how natural disasters affect human life, migration patterns, demography, health, livelihood, and long-term socio-economic development.

The second expert talk was delivered by **Dr. Abhay Patil, Principal, RPD Degree College, Belagavi**, who spoke comprehensively on "Impact of Natural Hazards." His presentation included detailed discussions on major hazards such as **earthquakes, floods, volcanic eruptions, wildfires, and landslides**, explaining their causes, effects, and mitigation strategies. Another resource person, **Dr. Siddharam S. Hangaragi, Professor, Department of Geography, S. R. Narasapur Arts and M. B. Shirur Commerce College, Bagalkot**, spoke extensively on various types of natural hazards and emphasized the importance of preparedness, resilience building, and sustainable planning for hazard management. The **introduction of the keynote speaker was presented by Smt. Annapurna Katti**, Lecturer in the Department of Physics, while the **introduction of the resource person was given by Shri. Santosh Biradar**, Lecturer in the Department of Mathematics. The seminar concluded with a formal **vote of thanks proposed by Shri. Shrishail Hatti**, Lecturer in the Department of Commerce, expressing gratitude to all dignitaries, speakers, participants, and organizing committee members.

A total of **59 participants**, including faculty members from various colleges and research scholars, attended the seminar and actively engaged in the discussions. The seminar was successful in providing deep insights into natural hazards and their impact on society, thereby enriching the academic awareness of the participants.
