7.1.8 - Describe the Institutional efforts/initiatives in providing an inclusive environment i.e., tolerance and harmony towards cultural, regional, linguistic, communal socioeconomic and other diversities

The college having the rural background of Vijayapur district centered and connected with neighboring districts, students hail from neighboring districts/taluks like Yadagiri, Bagalkot, Surapura, Talikote, Basavanabagewadi made our college distinguished. The college management and staff strive to make good and inclusive environment to our diverse community of students.

The college has specific concern for health, harmony, linguistic communal programs towards society and to students, particularly by conducting statue cleaning program in Muddebihal, mask distribution in covid-19 time, NDRF disaster management program, awareness program on Gram Panchayat, world students day celebration, Urdu Webinar book release, Premachand Birth anniversary (Hindi), Birth Anniversary of APJ A. Kalam etc. hence our institute clearly implementing and developing students to learn broader values like harmony, tolerance. The programs are helping our students to learn national interest and cultivate national goals.

The inclusive nature of college in terms of multi district, Rural wise admission with diverse students back ground made us to approach communities, go to villages to conduct NSS, Basic certificate course for Rangers & Rovers in Kondajji village, Visit to Horticulture Farm in Narayanapur. Our programs on thoughts of Basaveshwara, a critical analysis of literature of Dr. Chandrashekar Kambar, special lecture on Socialization and Society, Urdu webinar on Gazal in Karnataka, National Unity day and Valmiki Jayanti under the planning of Value and Ethics Cell indicates strong attitude of covering greater values of national, religious, socio-economic and ethics aspects in students life.

Report of the Special Lecture

Date : 31/08/2021

Basava, also known as Basavanna (1106-1167)) was a philosopher and a social reformer, who fought against social evils of his time such as caste system and the ritual practices of Hinduism. Basava was a great humanitarian, who advocated a new way of life, in which divine experience was at the center of life and where caste, gender and social distinctions carried no special importance. It is evident that the seeds of modern concepts of 'sarvodaya' and 'total revolution' were sowed in Karnataka, during twelfth century itself by the great revolutionary-Basaveshwara.

Even the Guru and Jangama, who were treated as the superiors of the society also, must work. Ultimately the Work is worship. Even the Kayaka is equated with kailasa- The Heaven. This concept gave a new movement and people of all walks of the society started loving their work and involved them self in society building task without any feeling of class, caste and sex discrimination. Prof. The Programme resource person Geeta Ankalagi department of sociology at- Sha. Sogamal Piraji Government First Grade College Muddebihal, explained about the Basaveshwar ideas for Social reforms.

The special lecture programme was organized by Dr. Sunita. B. Jadhav head of the department of sociology at M.G.V.C. Arts, Commerce, and Science College of Muddebihal. Prof. Geeta Ankalagi was the special resource person for the event.

Principal S.N. Poleshi sir delivered by Presidential speech at the programme. Administrator A. B. Kulkarni sir delivered by Chief Guest Speech at the programme. Dr. S.C. Angadi , Prof. K.G. Hiremath, Dr. A.A. Mulla, Dr. R.H. Sajjan, they were all present at the programme. Akshata Sindagi and his companions sang the welcome song in this programme. “MASK DISTRIBUTION PROGRAM”

REPORT

The novel COVID-19 is an infectious disease caused by a novel corona virus and can be transmitted from person to person via contact with respiratory droplets. Major prevention methods recommended by the WHO are clean hand with soap and water, maintain social distancing, avoid touching eyes, nose and mouth and different measures of protection based on situation.

Masks should be used as a part of comprehensive strategy of measures to suppress transmission and save lives. Face coverings limit the volume and travel distance of respiratory droplet dispersed when talking, breathing and coughing. A face covering reduce the chances of infection. Our college NCC CADETS distributed masks to those who can not afford or do not have access. The distribution of masks is conducted in market area, bus station and college road. This mask distribution program was conducted on 3rd SEP 2021 under the supervision of LT. H.G.PATIL, Our college staff members DR.B.A.Guli, DR.R.H.Sajjan, Prof.V.S.Lamani, Prof.M.I.Biradar also participated in the mask distribution program. Our NCC CADETS participated in this program with full enthusiasm. The management appreciated the event conducted by NCC CADETS.
