REPORT OF INDUSTRIAL VISIT

(MoU Activity 2025-26)

Visit to the industry is an important and effective method of learning through participation. As a part of curriculum and also as an activity of our department MoU, The Chemistry department organized an industrial visit to Balaji Sugars and Chemicals Pvt. Ltd., Yaragal on 10-05-2026 for B.Sc. VI Semester Chemistry students. The purpose of this industrial visit is to visit sugar industry and to prepare project report on Balaji Sugars. To be assessed at the university final examination.

With the prior permission of principal and telephonic message, Manager Balaji Sugar Factory, the team of 20 Students and 02 faculty members started journey from the college campus at 10:30 am. The team reached the sugar factory around 11.00 am. At the very beginning of the visit, the team met Shri. S. P. Ainapur (DGM) in the premises of the factory. The Manager interacted with students and faculty and then took a factory round and explained in detail about insights of the factory, manufacturing process, different machines and packing of sugar etc. The students watched the machines and different plants. The factory was well equipped with the advance and new technology.

The Manager discussed the availability of raw materials, crushing and manufacture of sugar and environmental issues of factory with the students. Then students visited ethanol plant, water plant, water effluent plant and laboratories. At the water plant students interacted with Shri. Santosh Chippalakayi, Manager WTP. At the laboratories of water plant, the Manager discussed physico-chemical parameters of water and their determination.

After this the students and faculty met Honorable Managing Director. Students congratulated the MD and authorities of factory for giving the visit opportunity. The visit was very informative and students were highly benefited for their project work. The team finished the visit at 2.00 pm by proposing vote of thanks to all who helped during the visit.

The team left the sugar factory and travelled for sightseeing of Krishna River and Neelambikadevi Temple near Tangadagi Village. All students and faculty enjoyed the sightseeing and all had their lunch. After some time, the team left the Temple and travelled to Muddebihal and reached the college at 4.00 pm.

With this activity students came out with a practical knowledge of sugar production, marketing, human resources, industry opportunities and pollution control measures, all of which help for their project report preparation.
