REPORT OF GUEST LECTURE PROGRAMME **(Department MoU Activity 2022-23)**

Chemistry Department under MoU activities organized a guest lecture programme on Sugar technology for B.Sc. VI Semester Chemistry (Optional) students on 18-08-2023. The purpose of the guest lecture is to know the current trends and challenges of sugar technology in our country and also to get insight of the internal working environment of sugar industries.

The guest lecture programme was began with the prayer by Miss Poornima Chittargi, B.Sc. Final student. Prof C. S. Katageri Head, Department of Chemistry welcomed the dignitaries, students and invites, and then introduced the guests. Then a garlanding programme . This was followed by the felicitation of guests. The Honorable guest speaker Shri. Alfhan Raj delivered a lecture on sugar technology. The lecture covered current trends and challenges of sugar technology in India. The guest speakers Shri U. G. Charantimath Manager (HR) and Shri B. G. Kenganal, Deputy Manager highlighted about innovative approaches in sugarcane, internal working environment of sugar industries, manufacture of sugar and employment opportunities at Balaji Sugars. Prof. S. V. Gurumath IQAC Coordinator shared his thoughts with students that to how rural people benefited by sugar industries. The President of the programme principal, S. N. Poleshi called the students and faculties join Industries, organize industrial programs helping students and requested the factory authorities to extended their co-operation for industrial visits, Certificate courses and projects in sugar technology. Students interacted with guests and were highly benefited by the programme. Lastly programme was concluded by proposing vote of thanks by Shri U. A. Halyal. Shri S. S. Sulibhavi compared the programme. 62 Students and faculty members attended the programme.
