Pick and Speak

Description of Pick and Speak:

Pick and Speak is class activity or competition that tests a person's ability to speak on any topic within a set of time limit. The purpose of Pick and Speak is to: Improve public speaking skills, encourage quick thinking, Strengthen critical thinking skills and to help students become confident speakers.

Importance:

- Pick and Speak helps students develop self-confidence and learn to maintain composure in front of an audience.
- Pick and Speak helps students develop proper speech patterns and language skills.
- Pick and Speak is a great way for children to develop effective communication skills, which is an important aspect of personality development.
- Pick and Speak can help create a friendly classroom environment that supports the improvement of speaking ability

Objectives :

- To improve public speaking and communication skills
- To help students develop their personality
- Also helps students strengthen their critical thinking skills by analyzing and reflecting on a given topic.
- Developing English speaking skill
- Practicing fluency
- Improving articulation, pronunciation and the ability to convey ideas clearly.
- Reducing stage fear and strengthening self-assurance

EVENT: "PICK AND SPEAK"

A REPORT

The event was conducted for B.Sc students of Zoology Department in M.G.V.C College. The programme was held on 13-12-2024. It went for two hours. Around 58 students have participated in the programme. It was co-ordinate by Smt. K.G. Hiremath. The groups were made among the students and Fish names were given to the groups.

The Topics for Pick and Speak programme were Eating healthy when you are busy, Speech on Agriculture, and Speech on Beti bacho and Beti padhao, Speech on organ donation, Speech on Child Labor, Developing a growth mindset for success etc.

It was indeed a great joy to see students speak on these topics. Each one wanted to exhibit their best eloquence. The programme brought skills including quick thinking and oratory. Overall it was an enjoyable and a learning experience for the students as they could abreast with the happenings in the wider world around them.

Benefits of the programme :

- Stimulation of thinking in a new way.
- Expansion of knowledge.
- Understanding of student strength and weakness.
- People handling skill.
