

# MGVC ARTS COMMERCE AND SCIENCE COLLEGE MUDDEBIHAL

# Role of the Red Ribbon Club

- Educate youth with correct, concise and adequate information and heighten their level of awareness about HIV/AIDS/STI/sexuality and other related issues
- Enable youth, especially the female students, to identify and understand situations of exploitation and abuse.
- To help and support the people living with HIV & AIDS (PLWHA) and reduce the stigma and discrimination against them.
- Increase youth access to health care services related to HIV/AIDS/drug use.
- Create linkages between youth and governmental, non - governmental agencies and CBOs to access safer and responsible healthy behavior.
- Organize and facilitate voluntary blood donation camps and mobilize the youth for voluntary blood donation.
- Create among the youth a cadre of peer educators for seeking and encouraging positive health behavior as well as ensuring sustainability of the club.
- **FOUR KEY AREAS OF RRC**
  - Vibrancy of Youth
  - Sex and Sexuality
  - HIV/AIDS/STI
  - Peer Education

# Objectives of Red Ribbon Club

- Mainstreaming of HIV & AIDS and ensuring safe blood are major activities to control the spread of HIV & AIDS in the country.
- Govt. of India has proposed to establish a network with universities and educational institutions
- Generate awareness regarding HIV & AIDS and to promote Voluntary Blood Donation to ensure safe blood and implement preventive programmes on HIV & AIDS.
- To promote Red Ribbon Clubs to cover youth at risk to HIV both in campuses as well as in community. Goal of Red Ribbon Clubs
- To reduce the occurrence of new sexually transmitted infections particularly HIV, among youth
- To prepare youth as peer educators
- To increase awareness among youth on sexual reproductive health and HIV/AIDS.
- To impart skills among youth on self-protection, negotiation, and effective group interaction.
