“MASK DISTRIBUTION PROGRAM”

REPORT

The novel COVID-19 is an infectious disease caused by a novel corona virus and can be transmitted from person to person via contact with respiratory droplets. Major prevention methods recommended by the WHO are clean hand with soap and water, maintain social distancing, avoid touching eyes, nose and mouth and different measures of protection based on situation.

Masks should be used as a part of comprehensive strategy of measures to suppress transmission and save lives. Face coverings limit the volume and travel distance of respiratory droplet dispersed when talking, breathing and coughing. A face covering reduce the chances of infection. Our college NCC CADETS distributed masks to those who can not afford or do not have access. The distribution of masks is conducted in market area, bus station and college road. This mask distribution program was conducted on 3rd SEP 2021 under the supervision of LT. H.G.PATIL. Our college staff members DR.B.A.Guli, DR.R.H.Sajjan, Prof.V.S.Lamani, Prof.M.I.Biradar also participated in the mask distribution program. Our NCC CADETS participated in this program with full enthusiasm. The management appreciated the event conducted by NCC CADETS.

Report

A Motor Vehicle Act & Legal Awareness Programme was conducted on 24/07/2019 at 9-30 Am at conference hall of our college. Senior civil Munsiff and Chairman of Taluka law Service committee, Muddebihal Honorable K.G.Chinta was inaugurator. Honorable civil Munsiff and Secretary of Taluka law service committee Shri Suresh a Sawadi participated as Resource person. The function was presided by Shri. M. H. Kware, President of Lawyers Association, Muddebihal. Dr. B. A. Guli, Tahasildar Shri Vinayakumar Patil, App Kumari Vijayalakshmi Atharaga, BEO Shri. S. D. Ganji Executive Officer, Shri Shashikant Shivapure and other Taluka level officials present in the awareness.

Honorable Munsiff Shri. Sawadi told, The Government of India is deeply concerned about the growth of the number of accidents, injuries and fatalities in recent years. It recognizes that road accidents have now become a major public health issue and the ** are mainly the poor and vulnerable road users. In the light of this the Government of India through this National Road safety policy states its commitment to bring about a significant reduction in mortality and morbidity resulting from road accidents.

The function was inaugurated by honorable Senior civil Munsiff Smt. K. G. Chinta told the Government of India further recognize that as road accidents involve roads, motor vehicles as also human beings, road safety needs to be addressed on a holistic basis. It also recognizes that regardless of jurisdiction the central and state Governments have joint responsibility in reduction the incidence of road accidents, injuries and fatalities. Efforts to promote awareness about the various aspects of road safety and economic implications of road accidents needs to be done to curb rising menace of road accidents. This would enable and empower the different stakeholders to play a meaning – full role in promoting road safety. The Government will provide assistance to local bodies to improve the quality of ** investigation. A National Road safety information system is established for providing policy guidelines. The Government has to strengthen the system of driver licensing and training to improve the competence and capability of drivers.

President of Bar Council, Muddebihal presided over the function and told Road safety knowledge and awareness is to be created amongst the population through education, training and publicity campaigns. The road safety education. Will focus on school children and college going students. The Government will encourage all professionals associated with road design, construction, traffic management and law enforcement to attain adequate knowledge of road safety **. The other guests also spoke on this occasion, the explained services of emergency medical services for road accidents, Enforcement of safety laws, strengthening, Enabling legal, institutional and financial environment for road safety.

Prof. S. S. Hugar anchored the very important program of road safety. Dr. B. A. Guli tendered vote of thanks. The awareness program was very successful in all respects. The program created a holistic awareness among our college students. The awareness program ended with National song.

TREE PLANTATION EVENT 2019-2020

The only planet that grounds of living things is the land. The organizers such as oxygen is the living, because the living things are survived by the living. Today, most of the global problems that are found on Earth is almost due to plants and planting. The relief of many problems with today's plants is planted.

So today there are several proverbs in use. Lift the importance of their plants. E.g.: 'MANEGONDU MARA URIGONDU VANA' and 'MAE EDDARE BELE'. Fixes are very important to live healthy every day. To reduce the warm of the earth, to avoid famine, to gain the flow of the earth, it is very necessary to increase more plants. This is a program to be continued to our college student as the reason: Date on 17-10-2019.

REPORT

A three day training camp from 09-03-2020 to 11-03-2020 was conducted on "Disaster Management" at Vasantibai Jigajinni training centre, Buranpur, vijayapur. Eight Rovers and Rangers Participated in the training camp from our college. District Commissioner, Shri Siddanna sakri, Shri Nagesh Shivapur, Secretary of Bhart Scouts and Guides, Vijayapur, Resource Persons Shri P. S. Kumbar and Shri Rajashekhar koti and others participated in the training to train Rovers and Rangers. The participates are trained in Flood control, snake bite prevention and treatment, and other disaster events. Some methods of fold control have been practiced since ancient times. The normal practiced methods are construction of lakes, dams reservoirs, ponds to hold extra water during rainy seasons. In our country about 20% if the snakes are poisonous, people who suspected they have they have been bitter by a venomous snake should be transported to a health centre without delay. First aid Should be applied Traditional medicines and other treatments such as wound incision, suction or application of black stones should be avoided. Paracetmol may be given for local pain. Closely monitor airway and breathing and be ready to resuscitate if necessary. Floods creates many forms some are natural and some are manmade The leading cause of death in a fire is asphyxiation. The heat from a fire exceeds anything to which a person is normally exposed. Fire general a block smoke that blocks vision and stings the eyes. So get out first away from toxic smoke and gains. Get first aid where needed. The Rovers and Rangers are given training with practical's. The training about Disaster Management is very fruitful and use full. Prof. S. S. Hugar participated in the training as a Resource person.

INTERNATIONAL YOGA DAY 2018-2019

REPORT

From 21-06-2018 to 28-06-2018, the International Day of Practice Yoga held at our college by NCC. All the students, faculty and non-teaching staff of NCC, and College Students participated in the training at the Yoga camp every morning from 06 to 7:30am.

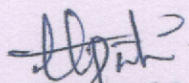

Yoga is a mind and body practice with historical origins in ancient Indian philosophy. The word Yoga is derived from the Sanskrit word 'Yuj' which means to join or unite. The union referred to is that of the individual self-uniting with Cosmic Consciousness or the Universal Spirit. Yoga is believed to have evolved during the period of the 'Sat Yuga', also called the Golden age. It was not until the discovery of the Indus- valley civilization, the largest civilization: that the knowledge about the origin of Yoga surfaced.
