TRUST DEED, Here in I, Smt. Gangamma w/o Veerappa Chiniwar, Caste-Lingayat, Age-50, occupation. House hold and agriculture R/o. My heavenly aboded husband late Shri. Veerappa Basappa Chiniwar died on 8th November 1939. Due to wed-lock, no children either male or female were born to me. Even to Shavavva or Shivaleelavva or Adivevva, who were earlier wives to my late husband did not beget either male or female children. They died during the lifetime of my late husband. Circumstance is like that to my late husband Shri. Veerappa, myself is the only legal heir to him. After the demise of my husband, myself is looking after entire movable and immovable properties and as per the Hindu Succession Act 1956 I am the absolute owner of the said properties. After the death of my husband, I am looking after all the movable and immovable properties and I have taken those properties in my personal possession and enjoying the same as an owner. My late husband was very rich (millionaire) from whom I have got the properties which are described at the end of this Trust Deed in the schedule A and B. In the schedule A the details of the landed properties are described and in schedule B, the details of the house properties are described along with their present market value. My late husband, for the welfare of the society and for the educational development of the Veerashaiva Samaj had not adopted anybody. I have lived my life as the shadow of his life. As a result, his generous and high ideals have been the life breathing of mine. With the determination to tread the way he walked, in order to pray eternal peace to his departed soul, I too have not adopted anyone at present and not willing to adopt anybody in future also. After the death of my husband, in order to fulfill his cherished wish I have donated much of the property inherited from him for the purpose of social prosperity and educational development. I have donated generously big amount to V.B. Chiniwar High School run by Veerashaiva Vidya Vardhak Sangha Muddebihal and many other institutions.

Now I have become aged and the life is uncertain. I don't know when I will join my departed husband. But at present I am totally in good health. To utilize the entire property inherited by me for the noble purposes, and to develop Veerashaiva Samaj which thereby will attain higher excellence, and to enhance educational level of our Veerashaiva Samaj people, with these high ideals, not under the pressure of any body or any circumstances in full cognition and wisdom, I have today made this Trust Deed related to the under mentioned properties in schedules A & B.
