Mobile No: +91 9845107165

The grievance procedure is a machinery to sort out the issues between student and college. It is a means by which a student who believe that, he / she has been treated unfairly with respect to his / her academic / administrative affairs or is convinced to be discriminated is redressed. It is a device to settle a problem. It enables to express feelings by initiating and pursuing the grievance procedure in accordance with the rules and regulations of the college. It involves a process of investigation in which 'Student's Grievance Cell' enquires and analyses the nature and pattern of the grievances in a strictly confidential manner. Matters are disclosed to only those, who have a legitimate role in resolving the matter. Emphasis on procedural fairness has been given with a view to "the right to be heard and right to be treated without bias".

Scope: The students to approach the cell for their grievances regarding academic matters, examination matters, financial matters, health services, library and other services.

Objective: To provide a mechanism to students of the college to air out their grievances and to provide redressal for the same so that they have smooth tenure at the college from the day of admission to their graduation.
