Language is a vital tool for communication. The proper learning of language helps us to develop language proficiency, personality and self confidence. Urdu language lab has been designed to provide the learners with a strong platform for practical training in the language. The language lab skill fully and effectively develops the language skills of pronunciation styles that are vital in everyday usage of Urdu language in today's world.

**The main objectives of the Language Lab are:**

- To emphasize the need of Urdu in the technical world.
- To equip the students with good communication skills.
- To train the students in the art of conversation and discussion.
- To prepare them for interviews and future job environments.

The Urdu language learning software (Hi Class SW) helps in engaging the students and teachers with manifold possibilities for individualization and interactivity. It gives every learners freedom to *learn* at their own pace. At the same time, it is possible for teachers to provide assistance *individually* and *collectively*. It also allows every participants to have his are her own *privacy* to speak and listen. They are given training in *communication*, *confidence- building*, *career development*, *CV writing* and *self awareness*.
