Ref. No. : 2057

Date 29.07.2019

Memorandum of Understanding (MoU)

Between

Department of chemistry

M.G.V.C Arts, Commerce and Science college, Muddebihal

and

Balaji Sugars and Chemicals Pvt. Ltd. , Yaragal

The MoU is intended to recognize the general basis for a co-operative and a collaborative working relationship between the industry and the educational institution. The purpose of MoU is to have mutual intentions to jointly work with faculty of good industrial experience and promoting students jointly agree to exchange their expertise for mutual benefit and growth on the following activities .

- Industrial visit
- Certificate Course
- In-Plant training
- Mini Projects
- Guest Lectures
- Other activities as mutually agreed

The memorandum of understating is made on the 29th July 2019. The term of this MoU shall be valid for 5 years from the date of signing and can be extended based on mutual consent .

Subject: Organising the Guest Lecture Programme under Dept MoU activities regarding.

Dear Sir,

The B.Sc-VI Semester students of our Chemistry Department are planned to organise a Guest Lecture Programme under MoU activities/Industry-Academia Innovative practices on 14-02-2020. Chemistry subject is practical oriented and many of manufacturing processes in industries are introduced as the syllabus by the University in chemistry subject. The Guest lecture programme will helpful to our students to know the manufacturing processes as well as the opportunities in industries. Also it is our pleasure to start MoU programmes with Guest Lecture which is one of the activity in our Memorandum. So for the sake of upgradation of knowledge of students and their future challenges, we are kindly requesting you to make convenient to deliver a Guest lecture on 14-02-2020 at our college. We are eager to organise the first activity of MoU with you.

We hope you will do the needful and oblige.

Thanking you

Co-ordinator,

Internal Quality Assurance Cell

DEPARTMENT OF CHEMISTRY

REPORT OF GUEST LECTURE

(MoU ACTIVITY 2019-20)

Guest Lecture on 'Industries-Source of Opportunities to youth' was organized by the Department of Chemistry under MoU activities/Industry-Academia Innovative Practices for B.Sc-VI Semester Chemistry(optional) students on 14.02.2020. The purpose of guest lecture programme was to create awareness among the students about the Industrial opportunities and to get insight of the industrial working environment and processes of the industries. Also the Lecture updates students interest on career opportunities and career paths.

Guest lecture programme began with the prayer by miss. Suma Math and Radha Hiregoudar of B.Sc-VI Semester students. Prof. C.S. Katageri Head of the Department narrated in brief about the programme and welcomed the dignitaries, students, invitess and then introduced the guests. This was followed by garlanding. The Guest speaker and Manager of Balaji Sugars shri. R.V. Patil delivered a lecture on 'Industries-Source of Opportunities to Youth'. He started his lecture with present scenario of industries and later the opportunities of industries and then challenges in the present job trends of industries and at last called the youth to join and work in industries which are the basis of the national economy. Guest of honour and Manager shri. S.J. Shedabale talked about Industry, Shri Balaji Sugars and Chemicals Pvt. Ltd, Yaragal and made the session very interesting by telling the daily life incidents of villagers. Head, Department of Economics and IQAC Coordinator Dr. B.A. Guli shared his thoughts on how best industries support and strengthen the economy of country. Principal A.B. Kulkarni who presided over the function quoted the contributions of the great industrialists in the development of the country and lastly encouraged and called the students to make use of the benefits of sugar factory situated near Muddebihal city. Then students interacted with the guests of speaker. All the queries raised by the students were resolved satisfactorily. The programme was very informative and students were highly benefitted. The programme was concluded with vote of thanks by shi. U.A. Halyal. Shri. I.V. Roodagi compared the programme. 145 students and 22 staff members attended the programme.

Sub: Request for permission to Industrial visit under MoU activity regarding.

Dear Sir,

We are happy to inform you that our college is one of the premier Educational institution known for its educational excellence and is affiliated to Rani Channamma University Belagavi. The students of B.Sc-VI Semester Studying Chemistry as optional subject should visit an Industry and submit the Industrial Report/Tour Report as per the University Curriculum. The Industrial Visit/Tour Report will be assessed for 10 marks at the B.Sc-VI Semester University Practical Examination. Hence as a part of Curriculum the students are planned to arrange an Industrial Visit to your Sugar Factory. The Industrial visit will help our students to study about the process of sugar manufacture, quality control of products, environmental aspects of Industry and above all the visit will enrich their academic knowledge. Hence we are kindly requesting you to grant permission for our students and staffs to visit your industry on 28.02.2020 .We are very happy and eager to take part in Industrial visit which is a second activity of our Department MoU.

Hoping for your early and positive response.

Thanking you

DEPARTMENT OF CHEMISTRY

REPORT OF INDUSTRIAL VISIT

(MoU ACTIVITY 2019-20)

Visit to a Industry/Field is a very important and effective method of learning. Industrial visit is introduced in the University syllabus for chemistry (optional) students of 6 Semester and its report is assessed at the university practical examination. As a part of curriculum and also as an activity of our Dept MoU, the Chemistry Department organized one day Industrial visit to shri Balaji Sugars and Chemicals pvt. Ltd, Yaragal on 28 February 2020 for B.Sc-VI Semester Chemistry (opt) Practical Batch-6 students. The purpose of the industrial visit is to expose the students to industries for developing collaborative activities in academic areas and getting the knowledge of industrial manufacturing process.

With the prior permission and guidance of Principal, Head of the Department and Manager of Balaji sugar's factory, the team of 26 students, a Lab attender and 2 faculty members started journey from the college at 9.30 am through a private vehicle. The team reached the sugar factory around 10.00 am. At the very beginning of the visit, the team met shri. S.J. Shedabale, Manager (HR) in the premises of the factory. The Manager interacted with students and faculty for a few minutes and then sent a resource person and chief chemist shri. Sharma to show us the process of production of sugar from sugar cane. The resource person accompanied with team and entered the factory. All of them watched the machines. The factory was well equipped with the advance and new technology. Then the resource person discussed in detail the process of manufacture of sugar, availability of raw material, crushing the raw material, final product with package and environmental aspects of factory by means of a flow chart. After this all moved and watched the actual ongoing process of sugar production in the factory. Students interacted with the chief chemist. All queries raised by students were resolved satisfactorily. The visit was very informative and students were highly benefitted. The industrial visit was finished at 1.00 pm by proposing vote of thanks to all who helped during the visit. The team left the sugar factory and travelled for sightseeing of Neelambika Devi temple near Tangadagi village. All students and staff took darshana of Neelambika Devi and enjoyed the sightseeing. All had their lunch. With some entertainment programmes lastly travelled to Muddebihal and reached the college at 4.00 pm.

With this activity the students come out with a practical knowledge of sugar production, marketing, human resources, industry placement opportunities, pollution control measures and above all brought a positive change in their thinking. The students requested to organise industrial visits regularly in future to enhance and explore their knowledge/ skills.

(MoU ACTIVITY 2020-21)

Industrial Visit /Field visit is a very important and effective method of learning through participation. As our Dept MoU and also a part of curriculum, the Department of Chemistry organized one day Industrial visit to shri Balaji Sugars and Chemicals pvt.Ltd, Yarangal on 12 February 2021 for B.Sc-V Semester Chemistry(opt) Practical Batch-4 students. The purpose of the industrial visit is to expose the students to industries for developing collaborative activities in academic areas and getting the knowledge of industrial manufacturing process, employment opportunities.

With the prior permission and guidance of Principal, Head of the Department and Manager of Balaji sugar's factory, 20 students, a Lab attender and 2 faculty members started journey from the college at 10 am through a private vehicle. The team reached the sugar factory around 10.30 am. At the very beginning of the visit, the team met shri.Narendrakumar Sharma, Dy Manager (processing) in the premises of the factory. The Manager interacted with students and faculty for a few minutes and then took the team into the factory and showed us the internal working environment of factory then the process of production of sugar from sugar cane. All we watched the machines. The factory was well equipped with the advance and new technology. Then the resource person discussed in detail the process of manufacture of sugar, availability of raw material, crushing the raw material, final product with package and environmental aspects of factory by means of a flow chart. After this all moved and watched the actual ongoing process of sugar production in the factory. Students interacted with the chief chemist. All the doubts raised by students were resolved satisfactory. The students visited laboratories and then the water plant and water effluent plant. The students interacted with Shri.Kotresh Pattanashetti, Head of water plant. At the laboratories of water plant, Shri.Taranal discussed about physico chemical parameters of water and their determination. After this the students and faculty met the Honorable Managing Director Shri.Venkatesh.Patil. Students congratulated the MD and authorities of factory for giving this visit opportunity. Visit was very informative and students were highly benefitted. The industrial visit was finished at 1.00 pm by proposing vote of thanks to all who helped during the visit. The team left the sugar factory and travelled for sightseeing of Neelambika Devi temple near Tangadagi village. All students and staff took darshana of Neelambika Devi and enjoyed the sightseeing of Krishna River. All had their lunch. After some entertainment programmes the team left the temple at 3:15 pm and travelled to Muddebihal and reached the college at 4.00 pm.

With this activity the students come out with a practical knowledge of sugar production, marketing, human resources, industry placement opportunities, pollution control measures and above all brought a positive change in their thinking. The MoU activity was very informative and memorable for the students.

Subject: Organising the Guest Lecture Programme under Dept MoU activities regarding.

Dear Sir,

The B.Sc-VI Semester students of our Chemistry Department are planned to organise a Guest Lecture Programme under MoU activities on 30-08-2021. Chemistry subject is practical oriented and many of manufacturing processes in industries are introduced as the syllabus by the University in chemistry subject. The Guest lecture programme will helpful to our students to know the manufacturing processes as well as the opportunities in industries. Also it is our pleasure to start Second year MoU programmes with Guest Lecture which is one of the activity in our Memorandum. So for the sake of up gradation of knowledge of students and their future challenges, we are kindly requesting you to make convenient to deliver a Guest lecture on 30-08-2021 at our college. We are eager to organise the first activity of MoU with you of this Academic year.

We hope you will do the needful and oblige.

Thanking you

DEPARTMENT OF CHEMISTRY

REPORT OF GUEST LECTURE

(MoU ACTIVITY 2020-21)

Department of Chemistry under the MoU activities/Industry-Academia Innovative Practices organised a Guest Lecture Programme on 'Sugar Industries-Scope and Challenges' for B.Sc VI Semester Chemistry(optional) students on 30.08.2021. The purpose of the guest lecture programme was to know the scope, career, opportunities, current trends and challenges of sugar industries in our country and also to get insight of the internal working environment of sugar industries.

The programme was started with the prayer by Miss. Anjana. Shahapur and Miss. Vidya. Saraganachari of B.Sc-VI Semester students. Head of the Department Prof. C.S. Katageri welcomed the dignitaries, students and audience and then introduced the guests. Then a garlanding programme. This was followed by the guests felicitation by Administrator and Principal. The Honourable Executive Director of Balaji Sugars and Guest of speaker Shri. Adhik. V. Patil delivered a lecture covering growth, present scenario and challenges of sugar industries in the country, also about sugar and sugar derivatives under changing consumer preferences. Shri. U.G. Charantimath Manager (HR) highlighted about innovative approaches in sugarcane, availabilities and employment opportunities of Balaji Sugars to students of various villages around Muddebihal. Shri. Narendrakumar Sharma Guest speaker and Processing Manager spoke on sugar manufacturing, quality control and recent advancement in processing and environmental issues. He made clear all these concepts with a flow-chart by chalk and talk method. Administrator Shri. A.B. Kulkarni who felicitated the guests of speakers pointed that sugar industry is an important agro-based industry that imparts livelihood of sugarcane farmers and workers directly employed in sugar industries. Head of Department of Economics and IQAC Co-ordinator Dr. B.A. Guli shared his thoughts with audience that how rural people benefitted by sugar industries and role of sugar industries in the economy of nation. Also requested the guests to provide an opportunities to students in industry for In-plant training, Industrial visit, Projects and Certificate course in sugar technology etc. The president of programme principal S.N. Poleshi called the students and faculties to organise more industrial programmes helping the students and requested the authorities of Balaji Sugars to extend their co-operation in carrying out the academic activities with the Chemistry Department. Students interacted with the guests and the questions raised by students are satisfactorily answered by the guests. The programme was very informative and innovative. The students were highly benefitted by the MoU programme. The programme was concluded with vote of thanks by Shri. U.A. Halyal. Shri. I.V. Roodagi compared the programme. 118 students and 15 staff members attended the programme.

Subject: Organising the Guest Lecture Programme under Dept MoU activities regarding.

Dear Sir,

The B.Sc-VI Semester students of our Chemistry Department are planned to organise a Guest Lecture Programme under MoU activities/Industry-Academia Innovative practices on 14-02-2020. Chemistry subject is practical oriented and many of manufacturing processes in industries are introduced as the syllabus by the University in chemistry subject. The Guest lecture programme will helpful to our students to know the manufacturing processes as well as the opportunities in industries. Also it is our pleasure to start MoU programmes with Guest Lecture which is one of the activity in our Memorandum. So for the sake of upgradation of knowledge of students and their future challenges, we are kindly requesting you to make convenient to deliver a Guest lecture on 14-02-2020 at our college. We are eager to organise the first activity of MoU with you.

We hope you will do the needful and oblige.

Thanking you

Dear Sir,

With reference to your Letter (No:MGVC/Chem/MoU/GL/2019-20 dated 5-2-2020)
We are also happy to initiate MoU activities of Chemistry Department with Guest Lecture programme as it is one of the activity in our Memorandum. We are pleased to attend the Guest Lecture Programme of B.Sc-VI Semester Chemistry(opt) students and deliver a Guest lecture on " Industries Source of Opportunities to Youth" under MoU activity organized by the Chemistry Department on 14-02-2020 at 10.00 am

Thanking you

DEPARTMENT OF CHEMISTRY

REPORT OF GUEST LECTURE

(MoU ACTIVITY 2019-20)

Guest Lecture on 'Industries-Source of Opportunities to youth' was organized by the Department of Chemistry under MoU activities/Industry-Academia Innovative Practices for B.Sc-VI Semester Chemistry(optional) students on 14.02.2020. The purpose of guest lecture programme was to create awareness among the students about the Industrial opportunities and to get insight of the industrial working environment and processes of the industries. Also the Lecture updates students interest on career opportunities and career paths.

Guest lecture programme began with the prayer by miss. Suma Math and Radha Hiregoudar of B.Sc-VI Semester students. Prof. C.S. Katageri Head of the Department narrated in brief about the programme and welcomed the dignitaries, students, invitess and then introduced the guests. This was followed by garlanding. The Guest speaker and Manager of Balaji Sugars Shri. R.V. Patil delivered a lecture on 'Industries-Source of Opportunities to Youth'. He started his lecture with present scenario of industries and later the opportunities of industries and then challenges in the present job trends of industries and at last called the youth to join and work in industries which are the basis of the national economy. Guest of honour and Manager Shri. S.J. Shedabale talked about Industry, Shri Balaji Sugars and Chemicals Pvt. Ltd, Yaragal and made the session very interesting by telling the daily life incidents of villagers. Head, Department of Economics and IQAC Coordinator Dr. B.A. Guli shared his thoughts on how best industries support and strengthen the economy of country. Principal A.B. Kulkarni who presided over the function quoted the contributions of the great industrialists in the development of the country and lastly encouraged and called the students to make use of the benefits of sugar factory situated near Muddebihal city. Then students interacted with the guests of speaker. All the queries raised by the students were resolved satisfactorily. The programme was very informative and students were highly benefitted. The programme was concluded with vote of thanks by Shri. U.A. Halyal. Shri. I.V. Roodagi compared the programme. 145 students and 22 staff members attended the programme.

Subject: Organising the Guest Lecture Programme under Dept MoU activities regarding.

Dear Sir,

The B.Sc-VI Semester students of our Chemistry Department are planned to organise a Guest Lecture Programme under MoU activities on 30-08-2021. Chemistry subject is practical oriented and many of manufacturing processes in industries are introduced as the syllabus by the University in chemistry subject. The Guest lecture programme will helpful to our students to know the manufacturing processes as well as the opportunities in industries. Also it is our pleasure to start Second year MoU programmes with Guest Lecture which is one of the activity in our Memorandum. So for the sake of up gradation of knowledge of students and their future challenges, we are kindly requesting you to make convenient to deliver a Guest lecture on 30-08-2021 at our college. We are eager to organise the first activity of MoU with you of this Academic year.

We hope you will do the needful and oblige.

Thanking you

DEPARTMENT OF CHEMISTRY

REPORT OF GUEST LECTURE

(MoU ACTIVITY 2020-21)

Department of Chemistry under the MoU activities/Industry-Academia Innovative Practices organised a Guest Lecture Programme on 'Sugar Industries-Scope and Challenges' for B.Sc VI Semester Chemistry(optional) students on 30.08.2021. The purpose of the guest lecture programme was to know the scope, career, opportunities, current trends and challenges of sugar industries in our country and also to get insight of the internal working environment of sugar industries.

The programme was started with the prayer by Miss. Anjana. Shahapur and Miss. Vidya. Saraganachari of B.Sc-VI Semester students. Head of the Department Prof. C.S. Katageri welcomed the dignitaries, students and audience and then introduced the guests. Then a garlanding programme. This was followed by the guests felicitation by Administrator and Principal. The Honourable Executive Director of Balaji Sugars and Guest of speaker Shri. Adhik. V. Patil delivered a lecture covering growth, present scenario and challenges of sugar industries in the country, also about sugar and sugar derivatives under changing consumer preferences. Shri. U.G. Charantimath Manager (HR) highlighted about innovative approaches in sugarcane, availabilities and employment opportunities of Balaji Sugars to students of various villages around Muddebihal. Shri. Narendrakumar Sharma Guest speaker and Processing Manager spoke on sugar manufacturing, quality control and recent advancement in processing and environmental issues. He made clear all these concepts with a flow-chart by chalk and talk method. Administrator Shri. A.B. Kulkarni who felicitated the guests of speakers pointed that sugar industry is an important agro-based industry that imparts livelihood of sugarcane farmers and workers directly employed in sugar industries. Head of Department of Economics and IQAC Co-ordinator Dr. B.A. Guli shared his thoughts with audience that how rural people benefitted by sugar industries and role of sugar industries in the economy of nation. Also requested the guests to provide an opportunities to students in industry for In-plant training, Industrial visit, Projects and Certificate course in sugar technology etc. The president of programme principal S.N. Poleshi called the students and faculties to organise more industrial programmes helping the students and requested the authorities of Balaji Sugars to extend their co-operation in carrying out the academic activities with the Chemistry Department. Students interacted with the guests and the questions raised by students are satisfactorily answered by the guests. The programme was very informative and innovative. The students were highly benefitted by the MoU programme. The programme was concluded with vote of thanks by Shri. U.A. Halyal. Shri. I.V. Roodagi compared the programme. 118 students and 15 staff members attended the programme.
