6.5.1 – Internal Quality Assurance Cell has contributed significantly for institutionalizing the quality assurance strategies and practice

The IQAC monitors the implementation of perspective plan of development. It has been trying to institutionalize number of strategies such as Automation of library, Digital library, etc.

1. Automation of Institutional library

Automation is the technology concerned with the design and development of a process and system that minimize the necessity of human intervention in operation.

The various factors that necessitated changing and manually operated library system. Our college library is automated. The automated library involves issue, return and renewal of books can be performed quickly and searching of documents through Online Public Access catalogue (OPAC). Maintain the bibliographical records of all the materials in the computerized form. It includes adequate collection of computer hardware; library software etc. reference is in INFLIBNET. E- library software includes books, bar-coding system books entry, entry of news papers and entry of periodicals. In the year 2019-20 bar- coding was completed in our library the web library has a website mgvedigitallibrary.in it has e-book facility encyclopedia, skill development, audio and videos and data base, gallery of library function, digital library scholarship information, subject portal, audio and videos for education

2.Digital Library

For the availability of Books, Magazine, Articles, Papers, Images, Videos on the internet, the Institution created Digital library in the year 2016. The resources of College library provide the students with the convenience of learning at their own comfort. Student can access and read the library materials in various digital formats anytime and anywhere using their preferred devices. Web library has 66 subject portals, 27 Encyclopedia, 164 Dictionaries. The service include OPAC, online catalogue services, Reprographic services, Visa information, Search Engine, Question papers etc.
