Subject: Request for Permission to Undertake a Project on "R.K. Narayan and Cultural Conflicts in *The Vendor of Sweets*" for the Academic Year 2023-24.

Respected Sir,

I am writing to seek your kind permission to undertake a project on "**R.K. Narayan and Cultural Conflicts in *The Vendor of Sweets***," as part of my academic activities for the **2023-24 academic year**.

As an Assistant Professor in English at our esteemed institution, I am keen to explore the themes of cultural conflict depicted in R.K. Narayan's novel *The Vendor of Sweets*. The project aims to delve deeper into the ways Narayan portrays the clash between traditional Indian values and modern influences, as seen through the characters and the setting of the story. This analysis would not only enhance the understanding of the text but also contribute to broader discussions on cultural identity and globalization in contemporary literature.

I assure you that the project will be conducted in a systematic and scholarly manner, with a thorough examination of the text, supported by secondary resources. It will also adhere to the guidelines and timelines set by the college for academic projects.

I kindly request your permission to proceed with this project. Your approval will greatly help in furthering my academic work and contribute to my professional development.

Thank you for considering my request. I look forward to your positive response.
