TOUR REPORT: Visited K.B.J.N.L Forest division Alamatti

K.B.J.N.L Forest Division Alamatti

Forest Division is looking after catchment area treatment of Almatti & Narayanapur Reservoir along with soft landscape works on either side of the Almatti Dam and Garden work at Naranyanpur Dam.

1. Landscape Works

Almatti Dam is constructed across river Krishna at Almatti, between village Almatti of Basavana Bagewadi taluk and Sitimani village of Bagalkot taluk. Almatti dam is one of the major multi - purpose projects in India and has been considered as a Dam of National Importance.

Krishna Bhagya Jala Nigam has launched an ambitious plan to develop the land adjoining the Dam site as a major recreational center capitalizing on the beautiful resources of water in the reservoir and its surroundings. A number of development works viz., construction of historic Moghul, Italian and French gardens, Musical Dancing Fountain, Boating at silver lake, etc., have already been initiated.

77 ACRES AND FORMAL GARDENS

The 77 acres of landscape development is under taken in the area just abutting to D/s of earthen embankment (left side) of Almatti Dam on one side and approach road which connects NH-13 of Dam Circle and other side is the river course. This area of development has a curvilinear 6 mtr wide motorable service road which starts from Entrance Plaza and connects all historical gardens which in turn connects to future development in further area.

Landscaping in 77 acres of land consists of 4 World Heritage Gardens viz.,

Head of the Department of Botany
M.G.V.C. College, MUDDEBIHAL-586212
Dist: Bijapur.

- a) Moghal Garden : 25 acres including lawn development
- b) Italian Earlier Style : 05 acres including lawn development
- c) Italian Later Style : 05 acres.

- d) French Garden : 08 acres.
- e) Rose Garden : 01 acre.

ROCK GARDEN

Day by day the publicity of Rock Garden is increasing. So many sectors are created in the Rock Garden like silver lake area, Children Sector, Reptile Sector Dinosaurs Sector, fair and picnic scene, Animal Sector, Bird Sector, Tribal Sector, Monkey Sector, Butterfly Sector, Sun rays sector etc. In the Rock Garden already lawn hedge, ground cover, flower bed, shrub planting, herb planting, tree planting have been created. Also, some additional area is taken up for raising of lawn, hedge and shrub planting and formation of paths so as to spread the visitors in the rock garden wherever they want to enjoy freely.

LAVAKUSH GARDEN

In front of sita mata temple in the sitimani hillock two ponds are there. People have belief that, those ponds never dry up and always have water so people call them Lava Kush kunda. Based on this kunda's and to enhance the beauty of Krishna garden and sitimani hillock Lava -Kush garden has been designed and is under implementation. This garden is being developing mainly to attract the children by viewing different childhood activities of Lava and Kush like playing in cradle with their mother Sita, taking education with their Gurus and learning bill and bow education from their Guru Ashvamedhayaga of Rama. Another four sectors are made to depict war scenes between Lava-Kush's and Shatrughna , vanarsena and Rama. One more sector is constructed to highlight the war scenes between Lav-Kush and Shatrughna , Rama and vanarsena in the cut out murals are depicted in the cave. All sculptures are made by using cement and steel. Natural pavement has been done along the paths and two waterfalls, water channels have been created and two pergolas are constructed. Remaining areas have been developed with lawn, hedges, flower beds, ground cover and ornamental shrubs and shade bearing and ornamental plants
