Union budget 2023: When and where to watch Nirmala Sitharaman's speech lives (PTI)

Expectations are rife that income-tax slabs may be tweaked to provide relief to the middle class; an increase in spending on the poor through various schemes and financial incentives for local manufacturing will also be watched out for.

Meanwhile, the pre-Budget economic survey tabled Tuesday forecast India's economy to grow at 6.5 per cent in 2023-24, compared to 7 per cent this fiscal and 8.7 per cent in 2021-22. This still means India's economic growth next fiscal year will still be the fastest among major economies.

BUDGET LIVESTREAMING – 2023

REPORT

Finance minister Nirmala Sitharaman will Wednesday present the Union budget 2023, her fifth so far.

Finance minister Nirmala Sitharaman will Wednesday present the Union budget 2023, her fifth so far. This will be the Narendra Modi-led government's last full budget before the general election of 2024. In the first normal budget after the Covid-19 shock and amid global geopolitical developments, Sitharaman will be expected to tread a tightrope between staying fiscally prudent and general public expectations of lower taxes and a wider social security net. This year's budget will be presented in a paperless form like the previous two budgets.
