## Objectives:

- To encourage value based education by developing a high sense of responsibility.
- To impart higher education to the students belonging to educationally backward area and promote competencies.
- To spread higher education in general and to impart instructions in our branch of knowledge and for skill development.
- To arrange lectures, seminars, conferences, symposia etc. in order to cultivate communicative skill thereby fulfilling the need for job opportunities of modern India.
- To link the education with the life skills.
- To make the students the aware of socio-economic problems to which they belong.
- To march with challenges of the globalization of the education.
- To implement other nation building activity approved either by the union or state government or in which the government is interested.
- Conducting special training programmes for woman empowerment.
- Strengthening critical thinking and decision making ability by encouraging and provoking modes of enquiry.
