## Seminars by the Students

### A Report

The seminars were conducted by the BSc Ist, IIIrd and Vth semester students of Zoology Department. The seminars were held on 2<sup>nd</sup>, 6<sup>th</sup>, 9<sup>th</sup>, 10<sup>th</sup>, 11<sup>th</sup> and 13<sup>th</sup> January 2023.

A seminar may be for the purpose of education and are designed for students to talk about topics in the course reading, so students have to take an active part.

Conducting seminars among the students is good habit. This would help to get more information on the particular seminar topic and it also help to develop stage courage.

Seminars are capable of keeping the students updated with the technologies. Students cannot improve their knowledge from text books alone.

These are also held to impact some skills or knowledge.

Some seminar topics have been given to the students to do seminars.
